

Career Research And Career Poster

A dark grey arrow points to the right from the left edge of the slide. Below it, several thin, curved lines in shades of blue and grey sweep across the left side of the slide.

Part 1: Career Research (2 days)

- On Google Classroom
- 2 days to work on
- Find **THREE** careers related to physics or chemistry (physical science)
- Do research assignment on **ONE** career, hand in on Google Classroom
- You will receive a mark based on assignment rubric

A dark grey arrow points to the right from the left edge of the slide. Below it, several thin, curved lines in shades of blue and grey sweep across the left side of the slide.

Part 2: Career Poster (3 days)

- ▶ You will create a poster explaining the career you researched to others
 - ▶ Exact dimensions/what to include will follow
- ▶ You will mark several posters of your classmates
 - ▶ Will allow you to explore other careers your peers have researched
- ▶ You will receive a mark based on this peer evaluation – 1 day for peer evaluation
